Balance Transfer Request

If you are requesting we process a balance transfer, complete this section

Card 1 Financial institution or store		Card 2 Financial institution or store	
Amount to be transferred	\$	Amount to be transferred	\$

To enable a balance transfer to be processed you will need to provide a copy of your card statement or relevant BPay information. Otherwise we will contact you to obtain this information.

Balance transfer conditions: minimum \$1,000; transfers can occur only from Australian issued non-Summerland cards; you must not be in default of the terms and conditions relating to your Summerland card or other financial institution card; we will not be responsible for delays or charges associated with processing; we will not close the card account held with the other financial institution – you will need to arrange this.

Add an Additional Cardholder

If you want to add an additional card holder, complete this section (must be 18 years or older)

Title Mr / Mrs / Miss / Ms / Other	Surname	Given Name(s)							
Date of Birth	Driver Licence Number	Phone Number	Email Address

	<table><tr><td>Address</td><td>State</td><td>Postcode</td></tr><tr><td> </td><td> </td><td> </td></tr></table>			Address	State	Postcode			
Address	State	Postcode							

Please let this person know that you have provided us with their details, and that their information will be used only to provide them with the additional access card and related services. Please note Summerland Bank may contact the cardholder for the purpose of identity verification. You will be liable for all transactions carried out by this cardholder.

Change Card Type

If you want to change your card type, please select your preference

☐

A Visa Low Rate credit card

A low rate credit card is better if you don't regularly pay off your balance in full each month and want to minimise the interest you have to pay.

☐

A Visa Rewards credit card

A rewards credit card is better if you intend to pay off your balance in full each month and want to earn rewards.
